NGUYEN HOAI NAM

Telecommunications engineer seeking for jobs related to machine learning, data science, and natural language processing

📞 *Tel: (+33) 6 35 53 76 41*

✉️ *Email: nguyenhoainam2k11@gmail.com*

in *Linkedin: https://www.linkedin.com/in/nam-nguyen-hoai-9a6813a2/*

📍 *Address: Neuilly-Plaisance, 93360, France*

📅 *D.O.B: 16 August 1993*

Keywords

- Machine learning
- Natural Language Processing
- Critical thinking
- Goal-oriented
- Open-minded
- Leadership
- Information Processing
- Speech Recognition

Tech skills

- *Data Analysis/Visualisation, Technical Writing, Project Management, Scientific Research*
- *TensorFlow, Keras, SciKit-Learn, R, SQL*

EXTRACURRICULAR/COMMUNITY ACTIVITIES
Journalist Club of Tuoi Tre magazine in Vietnam
Meeting with Konan University, Kobe, Japan
Participant of "Dream Project Incubator" 2015

HOBBY
Programming   *Learning languages*
Badmiton, Aikido   *Drawing*

Language skills

Vietnamese, English, French, Japanese

About me

I am freshly graduated from IMT Atlantique (ex. Telecom Bretagne), and I am specialized in the field of information processing including signal and image processing. I have special interests in machine learning techniques and research related to natural language processing. I want to develop myself as a software developer and an expert in Artificial Intelligence (AI). My sincere desire is that one day the computer can communicate in languages as well as us human beings do

💼 EXPERIENCES

Apr 2017
Sep 2017
Graduate internship
National Institute of Communications and Information Technology (NICT), Japan
Improve the current system of Vietnamese automatic speech recogntion
Language used: Python

Jul 2016
Sep 2016
Summer internship - Telecom Bretagne
Project NEUCOD - Electronics Department
Models of associative memories for machine translation
Language use: Python

Feb 2016
Jun 2016
Engineering project - Telecom Bretagne
Poppy-Kiné: robot for the re-education
Language used: MATLAB

Oct 2015
Dec 2015
Technical project - Telecom Bretagne
Representative of the group
Telemap: an Android application used for indoor navigation
Language used: Java

🎓 EDUCATION

Aug 2015
Oct 2017
Telecom Bretagne
Institut Mines-Telecom, France
Engineering Student

Aug 2011
May 2015
Ho Chi Minh city of Technology, Vietnam
Programme de Formation d'Ingénieurs d'Excellence au Vietnam (P.F.I.E.V)
